

Customer Acceptance: By signing below, Customer accepts this Agreement and agrees to be bound by the Terms. This Agreement supersedes all previous proposals for these Services and constitutes the complete and entire agreement between the parties. Any conflicting or additional terms, including those that may appear on a Customer purchase order, are rejected and of no effect unless agreed to in writing by the parties. A failure by either party to pursue an available remedy or enforce a material breach by the opposing party is not a waiver unless agreed to by the parties in writing. This Agreement must be signed by an authorized Customer representative and sent to Hologic with Customer's purchase order within sixty (60) days from the Quote Date stated above unless otherwise specified, and is subject to change or withdrawal by Hologic prior to acceptance by both Parties.

SERVICE TYPE AND COVERAGE NOTES

(1) Requires Customer to provide a network connection for Unifit™ Connect™ SSL remote network access solution for each Product under the following equipment categories: Digital Mammography, Digital CAD, Bone Density, MultiView, and Prima. In the event that the Customer cannot provide such remote access, Hologic may not be able to, and shall not be liable for failure to, meet response times or uptime as specified in the Agreement.

(2) Equipment that is out of Product Warranty and not covered by a current service agreement must conform to Hologic's customary standards of configuration, performance, manner of use, or installation ("Specifications") before Hologic will accept a new Agreement. Customer is responsible for all expenses to bring any such Equipment, components and software into conformance with Specifications at Hologic's prevailing travel time, labor, and parts rates.

(3) Two (2) Preventive Maintenance ("PM") inspections do not apply to (i) Digital CAD Equipment, Trident HD Equipment, or Brevera Equipment, which receives only one (1) PM inspection per year, and (ii) Akurus Chair, MultiView, and Prima Equipment, which do not require a PM inspection.

(4) For each equipment category listed below, glassware shall mean, but is not limited to:

- x-ray tube and digital array detector, for Digital Mammography, Direct Radiography, and Trident Equipment;
 - x-ray tube and CCD camera, for Analog Mammography Equipment;
 - x-ray tube, high voltage power supply assembly, and image intensifier or flat detector, for Fluoroscopic Equipment;
 - x-ray tube, high voltage power supply assembly, and array detector, for Bone Density Equipment.
- reusable driver, for Brevera Equipment. Notwithstanding anything to the contrary elsewhere in the Agreement, the reusable driver is subject to the Reusable Driver Exchange Program. Replacement parts are supplied on an exchange basis; replaced parts removed from the Equipment shall become the property of Hologic.

(5) Platinum Service Type for Prima Equipment excludes Software updates.

(6) Equipment is considered "down" when an Equipment unit, or any function thereof, is inoperable (unavailable to treat or diagnose patients, or with respect to Equipment used by the Customer solely for research projects, cannot be used to perform research). Response to service call for down Equipment due to external failures (e.g., abuse, loss of air-conditioning, power failure, power surges beyond specified equipment tolerances, attempted and/or unauthorized third party repair, all other Acts of God, etc.) may be subject to travel time and labor rates.

(7) Plastics Coverage available at an additional cost.

(8) On-site emergency coverage for down Equipment, Saturday 8:00am to 5:00pm, available at an additional cost

(9) Reusable Driver Exchange Program: Hologic will provide Customer with replacement reusable driver ("Replacement Driver"), including all shipping expenses, in exchange for Customer's reusable driver ("Exchanged Driver"). Upon installation of the Replacement Driver ("Exchange Effective Date"), the Customer shall retain title and right of possession to the Replacement Driver and the Exchanged Driver shall be removed from the Equipment and shall become the sole property of Hologic, with Hologic retaining title and right of possession to the Exchanged Driver. Customer acknowledges and agrees that the Exchanged Driver shall be returned to Hologic within fifteen (15) days of the Exchange Effective Date with a Return Merchandise Authorization ("RMA"). RMA should be requested by calling Hologic at 800-442-9892. Failure to return the Exchanged Driver within allotted time frame may result in additional fees.

(10) "Software Updates" are generally available software modifications that correct errors or address safety or quality issues, such as maintenance-only releases, and bug fixes. "Software Upgrades" are new releases of software that contain enhancements improving functionality or capabilities, which are made commercially available by Hologic. Hologic may, in its sole discretion, determine if a new release is a Software Update or a Software Upgrade. Service coverage for Software Updates and Software Upgrades is determined by the Service Type, or as required by applicable law. Unless otherwise indicated by the Service Type or required by applicable law, Customer must request installation of Software Updates and Software Upgrades during the Coverage Period for coverage.

Agreement Exclusions:

- New or additional hardware that is required to run software updates or upgrades unless Renew Option is purchased.
- All consumables, including, but not limited to, bar code stickers, cleaning supplies, table pads, positioning devices, ink cartridges, exam table paper, batteries, separator sheets, suction cups, test films, ultrasound gel, test fixtures, test phantoms, and printer paper.
- Software Support Service Type excludes installation by a Hologic Field Engineer. Option of installation by Hologic Field Personnel during Standard Hours is available at current travel time and labor rates.
- Precision Service Type excludes travel time, labor or parts expenses that are necessary to bring the Equipment to within Hologic specifications and/or American College of Radiology ("ACR") Compliance. If required, such expenses will be assessed at then-current travel time, labor and parts rates.

Exhibit C

Equipment Performance Guarantee

Definitions

"*Equipment*" means Customer's portfolio of Hologic manufactured or licensed equipment which is covered under a Service Plan.

"*Service Plan*" means the Services coverage period of an applicable Hologic service agreement.

"*Measurement Period*" means the twelve (12) month period beginning on the effective date of the Product Warranty Period or Service Plan coverage period, as applicable, and each twelve (12) month period thereafter (or the actual operative period of time if less than twelve (12) months).

"*Hours of Operation*" means Monday to Friday, 8:00 am to 5:00 pm, exclusive of Hologic-observed holidays, or the Equipment's onsite coverage hours pursuant to the applicable Service Plan documentation.

"*Base Hours*" means the total number hours, based on the Hours of Operation, in a Measurement Period.

"*Downtime Event*" means each unscheduled incident when any Equipment is inoperable (unavailable to treat or diagnose patients, produce diagnostic images, report results, or process samples), beginning when a documented Customer notification of each Downtime Event is received by Hologic and continuing until the Equipment is restored to operable condition in accordance with Specifications. A Downtime Event excludes (i) any scheduled downtime event, including but not limited to preventive maintenance, proactive parts replacement, or installation of Software updates or upgrades; and (ii) repairs or adjustments to the Equipment required due to misuse, operator error, negligence of Customer or its employees or agents, or inadequate environmental conditions, including but not limited to air conditioning conditions or failure, power failure, or supply of power below or in excess of the Equipment Specifications. If Hologic is notified of a Downtime Event outside the applicable Hours of Operation, Downtime will commence at the start of Hours of Operation on the following business day.

"*Downtime Hours*" means the total number of hours that Customer's Equipment experienced a Downtime Event during Hours of Operation, excluding any time (in hours) that Customer restricts, limits or prevents access to the Equipment experiencing the Downtime Event by Hologic service personnel or authorized agents.

Performance Guarantee

During the Service Plan, Hologic shall be responsible for the reliability of the Equipment and warrants that for each Measurement Period, Equipment covered under such Service Plan will operate in accordance with Hologic's then-current standards of configuration, performance, manner of use, or installation ("*Specifications*") for the percentage of time stated in the applicable Service Plan documentation ("*Uptime Standard*").

Hologic and Customer agree the Uptime Standard requires that, where the Equipment has remote diagnostic capabilities, Customer provides a dedicated VPN connection for each item of Equipment for remote diagnostic troubleshooting purposes via Hologic Connect™ SSL remote network access solution.

The Uptime Standard is calculated by subtracting Downtime Hours from the Base Hours, dividing that number by the Base Hours, and then multiplying the result by one hundred (100).

Customer and Hologic are each responsible for measuring Downtime Hours, and the parties may meet annually if requested by Customer at least thirty (30) days in advance, to review their calculations and determine whether the guaranteed Uptime Standard was met during the applicable Measurement Period. Hologic will extend the applicable Service Plan coverage period by one (1) week, up to a maximum of five (5) weeks, for each percentage point below the guaranteed Uptime Standard.
